To [Name No. 42].^[ii]

1. I am not giving "GEORG"^[ii] any tasks. I have not received any information from him. He has not had any surveillance over him all this time and he therefore considers that the period of caution after what happened should now end. He has completely broken off contact with local circles. I await your instructions.

2. In accordance with your instructions and the NEIGHBOURS^[iii] request, I have transferred YANKE^[iv] to them. I broke off liaison completely. For his part he considers that this is totally wrong since they did not process him at all and did not have any contact with him earlier. Still they knew about him; it was from me that they found out as I had to tell them when their colleague worked temporarily with [me]^[v] and wanted to [D: undertake] the processing of YANKE.

3. Your telegram No. 1042.^[b] Regarding OLSEN^[v] I consider that he should not be drawn into active work since he is very much connected with our circles. He is a member of the local Political Bureau. On isolated questions in the future also [group unrecovered] to use him.
